

PASTOR'S INFORMATION SHEET

The Cursillo is a short course in Christianity designed to help those attending this three-day program to realize that living a natural Christian life is possible for anyone in his or her family, church, social and work environments. The primary purpose of the Cursillo Movement is to develop in adult Christians a consciousness of their power and mission to become leaders working for Christian renewal within these various environments and to support them in this effort. Persons contemplating attending a Cursillo should be emotionally healthy individuals who seek to deepen their life in Christ and in service to others. The Cursillo weekend is not designed to be a cure-all for those experiencing personal problems.
